Please remind your club members about the program, and have them report their opening and closing mileage for 2017.

Starting this year, there are 2 ways to report the information:

1) individuals can use the traditional paper form:

[click to view/print the form & mail it to the address at the bottom of the form]

OR

2) individuals can enter their own information online:

[click to go to the BCCI website LDA online submission area]

Each BCCI Member Club Representative can make decisions about the closing date for the program, especially when favourable driving weather may continue beyond the typical October 31st closing date.

2017 Awards for people who accomplish the necessary 3000 miles (5000 kms) will be sent to the BCCI Member Club representative in February 2018 (unless other arrangements for delivery are made).
